

# ZHIR JALAL

FRONTEND DEVELOPER

## ABOUT ME

Hi! I'm Zhir, a 24-year-old frontend developer and computer science student from Sulaimani. I specialize in HTML, CSS, JavaScript, Java, Tailwind and Bootstrap. With one year left to graduate, I'm focused on building clean, responsive web apps. I'm passionate about improving my programming skills and growing as a developer.

## WORK EXPERIENCE

**Freelance Frontend Developer** 2023 - Present

- Built responsive websites using HTML, CSS, JavaScript, Tailwind, and Bootstrap.
- Collaborated with clients to design clean, user-friendly interfaces.
- Managed projects independently and delivered on time.
- Gained real-world experience in Git, GitHub, and problem-solving.

**Social Media Marketer** 2022 - Present

- Promoted and sold products through platforms like Instagram, Facebook, and Tiktok.
- Created engaging posts, stories, and ads to attract customers and boost sales.
- Managed customer communication, handled orders, and built trust with online buyers.
- Gained hands-on experience in digital marketing, content strategy, and branding.
